

# Hearts For Ghana Mission

Our HFGM Team continues to make Christ known among these disadvantage children. Yes, we are making a great impact in the lives of these children educationally, spiritually and economically for the Kingdom of Christ.

## Our Prayer Request:

1. We are earnestly seeking a new Father for our HFGM Home. We are looking for a Christian man who has the heart of a loving father, has demonstrated clear Christian leadership, and will strictly uphold the laws, rules and regulations laid down by our Child Protective Polices. Pray that God would lead us to such a man.
2. Pray for God's provisions to meet our daily financial needs.
3. Pray for the children, specially the ones in the Home. Pray for the Team and myself as well.

## Come to Ghana on a Mission Trip !!!

Yes, we are seeking people convicted by God to come to Ghana and help us lead these street children in Vacation Bible School, teaching Bible-based lessons, and/or helping to improve the facilities we use. The timing of your trip is entirely up to you. In addition, you can bring up to seven people with you.

This is a great opportunity for a church-sponsored group mission trip. If you feel God tugging on your heart to go, please check the box on the reply card, and we will contact you with additional information. We will work with you to plan each aspect of your trip.

Dear Friends

Greetings in the matchless name of our Lord Jesus Christ. All honor and praise and glory belong to Eternal God for His kindness and mercy.

Yes friends, *Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any <sup>t</sup>trouble, with the comfort with which we ourselves are comforted by God.* 2 Cor 1: 3-4

## It's truly a devastating loss, but heavens gain

Mr. John Gozo

It's was sadness and heavy heartedness to inform you of the sudden death of the Father of HFGM Home. Mr. John Gozo, passed away on Dec 21st, 2022, in the mist of our Christmas celebration programs.

The sudden death of Pastor John, as we affectionally called Him, has sent shock waves through the hearts of the children in the Home, in the street, and in the Mission Team. For most of the children in the Home John was the only Father they ever knew. His wife, Mrs. Esther Gozo, the original mother of the Home had passed away two years earlier. And once again these children are left to cope with the death of the one they knew as their father.

Mr. & Mrs. John and Esther Gozo, had over 35 years of working, managing and parenting orphans and disadvantaged children before coming to join Hearts For Ghana Mission about 10 years ago. Two years after they came to us, HFGM decided to start a Home, John and Esther served as the first House parents of the Home. Together, they poured their souls, hearts and love into nurturing these children for the Kingdom of Christ. And now the Lord is saying:

*'Well done, good and faithful servant; you were faithful over a few things, I will make you ruler over many things. Enter into the joy of your Lord.'*

Matthew 25:21

Late Mr. & Mrs. John and Esther Gozo

John was buried February 4<sup>th</sup>, 2023. Hence Mr. & Mrs. John & Esther Gozo are resting peacefully with the Lord. Yes, friends John and Esther have left a big hole in our hearts.

**Please pray with us, as we begin searching for a new Father of the Home to come in as soon as possible**

## From the streets to Premier University.

We are all very proud of Derrick Ganyo, 21. He is one of the very first children taken from the street to our HFGM Home. Derrick did very well in his High School final examination and has been admitted into University of Ghana, Legon. This is one of the premier universities in Africa! Presently he is taking Political science with a goal to a pursue a Law degree. But first, he must first earn his Bachelor's degree.

Friends, continue to pray for Derrick. He loves the Lord and continues to exhibit Christian leadership. Yes, Derrick is up to something great.

Derrick could not have gain this opportunity had it not been for faithful friends like you. For that we say a Big Thank You!!! Thanks for your prayers and support!!!

Derrick Ganyo

*For I know the plans I have for you," says the LORD. "They are plans for good and not for disaster, to give you a future and a hope.*

## It's Back to School !!!

And I am very much excited!!!! For God giving hope and strength to the hopeless and the helpless!!!

All schools have now resumed, and our children are back in school as well.

Two of our children from the Home were admitted into High School! They also did well in their Junior High School final national examination! Sammy and Esther are our newest high school students in the Home. Your gifts prove that children without hope can now have hope!!! Yes, Friends, God is using you to touch these children for His Kingdom.

# Hearts For Ghana Mission

This is Sammy, who used to live in a remote village. Sammy lost his father at the age of 5. He dropout of school, was without hope and has no knowledge of Christ. When we found him, what he wanted to do was to become Chef. Through God's divine providence we brought Sammy to the HFGM Home. Today, Sammy successfully completed Junior High school and entered Senior High School! Sammy not only loves the Lord but he hardly ever miss Church. He takes part in youth ministry and loves to sing. He is even part of the youth choir. Sammy is very respectful and obedient and love to help in the kitchen.

Samuel F , 18

Esther L, 15

Esther (left), already had an elder brother in HFGM Home. She came to us about three years ago, She lost her father at the age of 8 and was living with her mother. They struggled to meet their daily needs. Many times, she would miss eating for the day. After many prayers she came into the Home. Esther is a very delightful and respectful young lady. She loves the Lord and takes part in the youth group. She likes to sew dresses and participate in culture dance. Her dream is to become a fashion designer. Esther too did well in her final national Junior High School examination, We look forward to her graduating High school is three years.

And in all today, we have four High School students in the Home. We couldn't be more proud!

## The HFGM Team continues to work in the slums ...

remote villages ...

in the streets and ...

around the market.

**We are touching lives and building lives for Christ's Kingdom.**
