

Hearts For Ghana Mission

Going extra miles to meet two needs

This has been a very difficult year for us financially. As I write this newsletter, we have less than \$2,500 in the bank and there are needs in the streets and even in the Home that we cannot meet. Please, will you go the extra mile for us this month? We NEED your donations right now in whatever amount you can give. Your donations provide opportunities for children like Gabriel, to go to school, have food, clothing, community and learn about Christ. Thank you in advance for what you will do!

God is love. 1John 4:16

Come to Ghana on a Mission Trip !!!

Yes, we are seeking people, convicted by God, to come to Ghana and help us lead these street children in Vacation Bible School, teaching Bible-based lessons, and/or helping to improve the facilities we use. Your trip can be arranged to fit your personal schedule. You can even bring up to seven people with you. This is a great opportunity for a church-sponsored mission trip.

If you feel God tugging on your heart to come, please check the box on the reply card, and we will contact you with additional information. We will work with you to plan each aspect of your trip.

Please send your tax-deductible donation to:

October 2023

Dear Friends,

Greetings in the matchless name of our Jesus Christ. What a marvelous and glorious God we serve!!!

Friends, I arrived back safely in Ghana after a brief stay in the US. Yes, I am back to continue to lead the HFGM Team to carry on to reach out to the weary and disadvantaged children..

The Lord God has given Me the tongue of disciples, So that I may know how to sustain the weary one with a word. He awakens me morning by morning, He awakens my ear to listen as a disciple. The Lord God has opened my ear, and I was not disobedient, nor did I turn back. Isa 50:4-5

It's back to school!!!

Friends, October brings a new academic year in Ghana. At the HFGM Home, we are in "back-to-school" mode! And the children are looking forward and very excited about their possibilities!!!

But for thousands of hopeless street children, the reality of going to school is nothing more than the fantasy of a dream.

Attending school, effectively changes the trajectory not just of their lives, but also of their families, their village, and ultimately their country. But because of their extreme poverty, they have no home, no one to feed them, no one to clothe them, and no one to care. And so, they end up in the street, and become one of the forgotten and unnoticed children without hope..

As you can see, the children in the HFGM Home have hope, community and a future.

Gabriel, now 12, was once homeless and helpless. He had nowhere to lay his head. He was always hungry and dirty. But 3 years ago he was rescued from the streets. Soon after coming to the HFGM Home he was enrolled in school. Gabriel now has hope and joy written on his face! Will you help us reach out to the thousands of children like Gabriel still in the streets?

Your donations help change the lives of children.
