

# Hearts For Ghana Mission

## Thankful Heart!!!

Friends, from the bottom of our hearts, we say thank you for believing in these children and investing in their futures. Your support is truly changing lives!

Derrick giving children Scripture drills.

Ministering to children around the market.

Children in the HFGM Home

Children from the slums

## Partner With Us in Changing Lives

None of these stories would be possible without your faithful prayers and support. Every meal, every book, every hour of discipleship, and every school fee paid is an eternal investment in a child's future. As the HFGM Team continues to reach more children, and more children continue to enter our Transitional Home, and more graduates prepare to step into leadership, we invite you to continue standing with us. Together, we are raising up a generation of Godly leaders who will transform their communities and nation making impact for the Kingdom of Christ. ❤️

Please join us by praying for this outreach and supporting us financially. Send your tax deductible donations to:

## August/September 2025

Dear Friends,

Greetings in the matchless name of our Lord Jesus Christ. Yes, we serve a living God!!!

**... assuredly, I say to you, if you have faith as a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible for you.** Matthew 17:20

## Breaking the Cycle of Hopelessness

Hearts for Ghana Mission is busy breaking the cycle of hopelessness. Our children now see "graduates" coming back to the HFGM Home, instructing them to live a life of HOPE!

*Derrick, Bertha and Ruth, three of our college and university students actively ministering to children in the neighborhood .*

**But Jesus looked at them and said to them, "With men this is impossible, but with God all things are possible."** Matthew 19:26

# Hearts For Ghana Mission

## At Hearts for Ghana Mission,

- ◆ We believe education is one of the most powerful tools to transform lives. What once seemed impossible is now becoming reality for many of the children who we are reaching for the Kingdom of Christ!
- ◆ We believe true transformation comes when education and discipleship go hand in hand.
- ◆ We believe every child deserves not just food and shelter, but also love, education, and above all the chance to know Christ.

## Today!!!

In the early days of Hearts for Ghana Mission, God gave us a vision of reaching the unreachable; touching the untouchable; and loving the unlovable abandoned children in Ghana's streets. We knew in our hearts that if we could love them in Christ, and touch them in their humanity, that God would help us reach them for Ghana.

Our efforts are bearing fruit. Today, we can show proof that we were right! The pictures and words that follow, show how your prayers and support are truly **changing lives for eternity. From the power of darkness to the Kingdom of Christ. From lives of Hopelessness to Hope that transforms lives.**

## Continuing Success:

### Back to School 2025

At Hearts for Ghana Mission (HFGM), the start of each new school year is a reminder of God's faithfulness and your generosity. Because of your support, children who once had no chance to attend school are now walking confidently into classrooms with hope for the future.

### 📖 Children Returning to School in September

In September, our younger children will be heading back to school. As they prepare, there is a great need for **school supplies** such as:

- Exercise books & notebooks
- Pens, pencils, and erasers
- School bags
- Shoes & uniforms
- Textbooks and learning materials

These simple items are often taken for granted, but for our children, they mean the difference between sitting in class equipped and ready — or falling behind.

### College Students & Apprenticeships

Our journey doesn't end with primary and high school. Four of our children are now in **university**, including our very first who is preparing to graduate later this year! Each of them will be returning to campus this September, needing funds for **tuition, books, transportation, and housing.**

In addition, some of our older youth are learning practical skills through **apprenticeship programs** in trades such as tailoring and automotive mechanics. These opportunities are equipping them not only for jobs, but also for independence and dignity.

### Together, We Keep Building Futures

Every school supply purchased, every tuition fee covered, and every apprenticeship sponsored is more than just an expense — it is an **investment in the future.** It ensures that children and young adults under the umbrella of HFGM continue on the path of success, growing in both knowledge and faith.

Because of you, they are not only learning but also dreaming, achieving, and preparing to impact their communities for Christ.

# Hearts For Ghana Mission

## From Brokenness to University/College

What once seemed impossible is now reality: **four of the children who came through our Transitional Home are in university/college!** These young men and women, who once faced life on the streets or in deep poverty, now walk the halls of higher education. Even more exciting — our very first university student will be **graduating later this year!**

**Bertha K**

Creative Art, Design  
& Teaching  
Senior, ready to graduate.

**Derrick G**

Junior.  
Political Science & Law

**Ruth B**

Sophomore  
Nursing college

**Emmanuel L**

Freshman  
Criminology

This milestone is not just an academic achievement; it is a testimony of God's grace and the power of standing with children who once had no hope. Your prayers and financial support are a big part of this success. Thank you!!!

## High School Milestones

**Esther L** & **Samuel K**

At the HFGM Home, three of our current students are preparing for their **High School final examinations**. These exams are crucial, opening doors to higher learning and brighter futures. We thank God for the progress they have made, and for the opportunity to provide them with daily meals, a safe home, education, and most importantly, the love of Christ.

**Matilda A**

# Hearts For Ghana Mission

## Discipleship & Giving Back

Education is only one part of the transformation. Each of these children are also involved in **Bible studies and discipleship training** in the HFGM Home, Ministering centers and in their local churches. They are not only growing in knowledge, but also in Christ and in their Christian faith!!

Derrick ministering to children from the very street he used to live in.

Bertha leading children's Bible studies.

Ruth ministering to children around the market .

## The Beautiful Part

And here's the most beautiful part: our university students regularly return to the Transitional Home to **mentor and disciple the younger children**. The same hope and encouragement they once received, they are now passing on to the next generation. This is the ripple effect of transformation — lives touched by God's love are now touching others. Only God knows how far these ripples of life-changing hope will travel as these once abandoned children continue to reach others and transform lives wherever they go.

## A Generation of Hope

Through your partnership, children who once lived without hope now have dream big dreams. They are becoming future leaders — in their families, their communities, and their nation. They are young men and women who love God, pursue excellence in their studies, and live to serve others. Our prayer partners and financial supporters are a vital part of this ongoing mission.
